

Missed Appointment Policy — New Ridge Family Dental

Missed Appointment Policy

Dear Valued Patient,

We are committed to providing exceptional and timely dental care for all our patients. To help keep our schedule running smoothly and to respect everyone's time, please review the following guidelines. This policy is available in all appointment confirmations and on our website, promoting transparency as required under updates to the Kansas Dental Practices Act (K.S.A. 65-1421 et seq.), including KS SB31 (2025) enhancements for patient rights.

[Arrive on Time](#)

- Please arrive a few minutes early to check in and complete any necessary paperwork.
- If you are more than 10 minutes late, we may need to reschedule your appointment to avoid delaying other patients.
- If you anticipate being late, please call us as soon as possible. We will make every effort to accommodate you, including reasonable adjustments for disabilities as required by the Americans with Disabilities Act (42 U.S.C. § 12101 et seq.).

[Cancelling or Rescheduling](#)

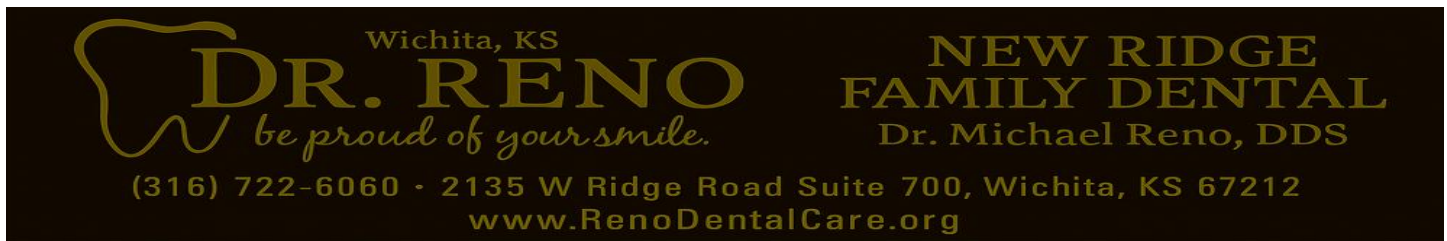

- We ask that you provide at least 24 hours' notice if you need to cancel or change your appointment.
- To cancel or reschedule, please call our office or reply to your confirmation message.
- If you need to cancel a Monday appointment over the weekend, please leave us a voicemail. Our system timestamps every call so we can accurately track notice.
- All voicemail, call data, and patient interactions are managed securely in compliance with the Health Insurance
- Portability and Accountability Act (HIPAA, 45 C.F.R. § 164) to protect your privacy.
- Exceptions: Fees may be waived for verifiable emergencies, such as sudden illness, accidents, or family crises, when reasonable documentation (such as a doctor's note or police report) is provided.

[Fees for Late Cancellations & No-Shows](#)

To ensure fairness to all patients and reduce unused appointment time, the following fees apply if changes are made with less than 24 hours' notice, except in emergency cases as described above:

- \$100 fee for appointments that are canceled, rescheduled, or missed within 24 hours.
- No fee applies when appointments are canceled or rescheduled at least 24 hours in advance.

Thank you for helping us maintain an efficient schedule and provide timely care to all patients. If you need an earlier appointment time, we open at 7:00 AM Monday through Thursday and may have same-day availability.

Progressive Missed-Appointment Protocol

We review missed appointments over a rolling 12-month period to help protect our schedule and serve all patients fairly. Emergencies are excluded from counting toward occurrences:

First & Second Occurrence:

- A \$100 fee is applied based on your appointment status.

Third Occurrence:

- The same fee applies. You will switch to same-day scheduling only for one year. All visits must be requested by phone on the day you need them, subject to availability.

Fourth Occurrence:

- May result in dismissal from the practice for the individual patient. Family members are evaluated separately and are not automatically dismissed.
- If dismissal occurs, we will provide written notice, arrange for transfer of records, and offer emergency care for at least 30 days. This is in accordance with the American Dental Association (ADA) Principles of Ethics and Code of Professional Conduct (Section 2.F) and the Kansas Dental Practices Act (K.S.A. 65-1436) regarding ethical conduct.

Non-Discrimination Statement

We comply with federal laws, including the Americans with Disabilities Act (42 U.S.C. § 12101 et seq.), to ensure equal access to care for all patients, regardless of disability, race, or other protected characteristics. Accommodations are available upon request to support your needs.

Dispute Resolution

If you disagree with a fee or the application of any protocol, please contact our office for an informal discussion. We strive to resolve issues amicably before any escalation to collections or further action, in line with fair practices under the Kansas Consumer Protection Act (KCPA, K.S.A. 50-623 et seq.).

Thank you for your understanding and cooperation. By working together, we can keep your care on track and ensure timely access for all our patients.
